NASSAU

The Nassau is a beautiful 14' long swim spa designed exclusively for Reef Spas. If you are looking for the perfect combination of exercise, fun and relaxation the Nassau ticks all the boxes and will undoubtedly enhance your families well-being.

It comes with three perfectly positioned river jets powered by four powerful 3HP pumps creating a smooth variable current for resistance swimming or exercise.

After you have finished your workout why not relax in the perfectly sculpted, ergonomic massage seats at the rear with 32 jets helping soothe any aching limbs. Why not ask your local dealer if you can test a Nassau – don't just take our word for it.

Large Swim Lane

Despite its compact footprint the Nassau provides a large swimming lane to accommodate the tallest of swimmers. This wide swim area enables you to perfect your technique without restrictions.

Touch Screen Control

The spaTouch3™ has a user-friendly interface which allows you to adjust the temperature, jets, mood lighting and fully control your integrated sound system.

River Jets

The three large River Jets are powered by a three pump system, creating an adjustable current to suit any swimmer style and ability.
